## Welcome to Branch!

We are thrilled to have you join our mission to restore insurance to its original intent: a force for communal good.

To help you hit the ground running, we're excited to offer you our Fast Start incentive - a way for you to earn even more when you sell Branch in your first 45 days!

Policies written from the time log-ins are sent through your first 45 days will earn an extra bonus, paid out at the end of the incentive period.

### Some important things to note:

- Renters and/or umbrella endorsements do not qualify for this incentive promotion
- Bundles are considered an auto and a home. Auto/renters would not qualify as a bundle, instead would count for monoline auto

\*Must be new appointment

\*\*Not combinable with other incentive programs unless noted
